Marketing professional with a customer retention and CRM background, advancing toward loyalty and engagement strategy through data. At BBVA I run daily operations on the bank's CRM and guide over 100 customers per week through digital-channel adoption, prioritising retention and long-term relationship value over one-off transactions, the same customer-behaviour lens a loyalty programme needs to grow engagement and lifetime value. I am completing the Google Data Analytics Professional Certificate (SQL, spreadsheets, data visualisation) to back engagement decisions with evidence, and I coordinate daily with colleagues and internal systems to keep service and digital-channel adoption on track, a foundation I am ready to extend to cross-team loyalty campaign coordination. Advanced English supports coordination across a regional footprint.

Core Competencies

- **Customer retention & CRM:** daily operations on a banking CRM with a direct focus on retention and customer experience; practical grounding in the same behavioural-data lens a loyalty programme uses to lift engagement and customer value.
- **Engagement campaigns:** three seasons planning and publishing engagement-driven content and campaigns for local brands (Meta Business Suite), tracking performance to repeat what worked; a base I am extending toward loyalty-programme campaign coordination.
- **Data, analytics & visualisation:** SQL, spreadsheets and data visualisation applied to marketing decisions (Google Data Analytics Professional Certificate, in progress).
- **Cross-functional coordination:** daily coordination with colleagues and internal systems at BBVA to keep customer service and channel adoption on track, a coordination habit I am ready to extend to loyalty programme work across marketing, IT and vendor teams.
- **Business communication:** diploma in oral communication and rhetoric (UTN), applied to building the case for data-backed decisions.
- **Tools:** CRM systems, Meta Business Suite, Canva, Google Sheets / Excel, SQL.
- **Languages:** Spanish (native), English (advanced), above the Intermediate level the role requires.

Professional Experience

- **BBVA Argentina** **Mar del Plata, Argentina**
2026-Present
Gestor Express (Customer Adviser)
 - Run daily operations on the bank's CRM and internal systems, keeping customer records and interaction history up to date to support retention and customer experience.
 - Guide customers' migration to the mobile app and online banking: over 100 customers oriented per week on digital-channel adoption and frequency of use.
 - Resolve over 50 customer queries per week, prioritising retention and customer experience over the single transaction.
- **Mar del Plata Digital** **Mar del Plata, Argentina**
2023-2025
Community Manager
 - Planned and ran engagement campaigns and content for local brands across three consecutive summer seasons (2023, 2024, 2025).
 - Published 15 posts per month on Instagram and Facebook (Meta Business Suite), tracking performance to repeat what worked and cut what did not.
 - Planned content calendars and messaging across multiple local-brand accounts, keeping each brand's identity and goals consistent across posts.

- **Inmobiliatica.com** **Mar del Plata, Argentina**
2023-2025
 - *Digital Marketing Assistant*
 - Contributed conversion-focused content to the digital communications strategy of an online real-estate platform.
 - Produced conversion-oriented content: posts designed to generate enquiries, not just likes.

Education

- **Universidad CAECE** **Mar del Plata, Argentina**
2024-2027
 - *Bachelor's Degree in Marketing (Comercialización)*
In progress, expected completion Dec 2027. Advanced-year student.
- **Universidad Tecnológica Nacional (UTN)** **Argentina**
2025
 - *Diploma in Oral Communication and Rhetoric*
Aug 2025 - Dec 2025.

Certifications

- **Google Data Analytics Professional Certificate** (in progress) – SQL, spreadsheets, data visualisation and analysis.
- **Foundations: Data, Data, Everywhere** (Google) – completed.
