SUMMARY

Marketing & CRM Lead running marketing for a 13-brand portfolio, with retention-focused CRM work in banking. Segmented a 1,500+ contact base into 6 segments, wrote the email and WhatsApp copy for each one, and personally wrote and sent the first email campaign to it. Started the Klaviyo Practitioner Certificate in Nov 2026 to take that CRM groundwork into a dedicated ESP. Clear, confident communicator, trained through a Diploma in Public Speaking and Rhetoric (UTN).

EXPERIENCE

Marketing & CRM Lead (part-time) Jul 2026 - Present
Mar del Plata Digital – Mar del Plata, Argentina

- Segmented the ERP customer base (1,500+ active and lapsed contacts) into 6 segments, each with its own offer and email and WhatsApp sequence copy; personally wrote and sent the first targeted email campaign directly from the ERP.
- Run marketing and content simultaneously for 13 brands (4 digital services and 9 tourism portals), the equivalent of a multi-account agency workload.
- Write conversion-focused copy and manage a 30-post-a-week content calendar across brands, with AI-assisted production.
- Audited the Google Ads and Meta Ads campaigns and connected GA4 via API for the weekly report.
- Automated publishing to 10 Facebook pages and 4 Instagram accounts through the Meta API, built with Claude Code.

Gestor Express, client support (part-time) Jan 2026 - Present
BBVA Argentina – Mar del Plata, Argentina

- Run daily operations on the bank's CRM with a retention focus, resolving 50+ customer enquiries a week.
- Guide 100+ clients a week through adopting digital banking channels.

Community Manager and Digital Marketing Assistant (seasonal) Summers 2023 - 2025
Mar del Plata Digital – Mar del Plata, Argentina

- Rehired for three consecutive summer seasons: planned and published 15 conversion-oriented posts a month on Instagram and Facebook, including content for the group's real-estate platform written to generate enquiries.
