Marketing professional focused on customer retention and CRM, with a data-driven mindset and a strong interest in lifecycle marketing for fintech. At BBVA I run daily operations on the bank's CRM and guide over 100 customers per week through the adoption of digital channels, prioritising retention and customer experience. Three seasons planning and publishing multi-channel content for local brands add hands-on communications and conversion-oriented copy. I am completing the Google Data Analytics Professional Certificate (SQL, spreadsheets, visualisation) to ground segmentation and lifecycle decisions in evidence rather than intuition. Native Spanish and advanced English.
