Marketing professional with a data orientation, moving toward marketing operations and analytics. At BBVA I run daily operations over the bank's CRM and lead client retention across digital channels; earlier I ran conversion-oriented digital marketing and content for local brands. Currently completing the Google Data Analytics Professional Certificate (SQL, spreadsheets, data visualization) to support funnel and lifecycle decisions with evidence rather than intuition. Advanced English, available to work US time zones.

Core Competencies

- **CRM & lead management:** daily operations over CRM and internal systems, managing client records and retention across the lifecycle; a direct base for HubSpot workflows and lead routing.
- **Marketing analytics:** SQL, spreadsheets (Google Sheets / Excel), data visualization and analysis for marketing decisions (Google Data Analytics training).
- **Conversion-oriented digital marketing:** planning and publishing content and campaigns built to generate inquiries and conversions, not just reach.
- **Funnel & data mindset:** comfortable reading metrics and reporting to guide next steps; motivated by evidence-based decisions over intuition.
- **Tools:** SQL, Google Sheets / Excel, banking CRM, Canva, Meta Business Suite.
- **Languages:** Spanish (native), English (advanced).
