Marketing professional with a data orientation, currently training in analytics through the Google Data Analytics Professional Certificate (SQL, spreadsheets, data visualization). Handles client data and CRM daily in banking, with earlier hands-on experience in digital marketing and content. Comfortable dealing with clients and self-taught by habit. Looking for a junior analytics / data analyst role to turn raw data into actionable business and marketing decisions.

Core Competencies

- **Data analysis:** SQL, spreadsheets (Google Sheets / Excel), data visualization and analysis for decision-making (Google Data Analytics training).
- **Client and account handling:** attention, guidance and retention of clients over CRM and internal systems; understanding client needs to guide next steps.
- **Digital marketing tools:** content planning and publishing on Instagram and Facebook (Meta Business Suite), conversion-oriented marketing.
- **Tools:** SQL, Google Sheets / Excel, banking CRM, Canva, Meta Business Suite.
- **Languages:** Spanish (native), English (advanced).
