Retention- and lifecycle-focused digital marketer with a data-driven mindset. At BBVA I run daily operations on the bank's CRM and guide over 100 customers per week through digital-channel adoption, prioritising retention and long-term relationships. Three seasons planning and publishing content calendars add hands-on copywriting and segmentation practice. I am completing the Google Data Analytics Professional Certificate (SQL, spreadsheets, visualisation) to tie email and SMS decisions to open rate, CTR, conversion and deliverability, and I am building toward hands-on end-to-end campaign execution on platforms such as Klaviyo, HubSpot and Braze.

- **Retention, CRM & reporting**: daily banking CRM operations; reading and explaining open rate, CTR, conversion and retention in spreadsheets; SQL and visualisation (Google Data Analytics, in progress).
- **Strategic copywriting & campaign calendar**: conversion-oriented copy and content-calendar planning across Instagram and Facebook.
