Marketing professional focused on customer retention and CRM, with a data-driven mindset and a strong pull toward lifecycle marketing. At BBVA I run daily operations on the bank's CRM and guide over 100 customers per week through the adoption of digital channels, prioritising retention and customer experience. Three summer seasons managing content and social media for local brands add hands-on multi-channel copywriting and conversion-oriented practice. I am completing the Google Data Analytics Professional Certificate (SQL, spreadsheets, visualisation) to ground segmentation and campaign decisions in evidence rather than intuition, and I am eager to execute lifecycle programs across Email, SMS, Push and WhatsApp for globally scaled D2C brands.
