Versatile digital marketer who enjoys working across channels rather than specializing in one. Built and shipped a marketing analytics dashboard that pulls real GA4 ecommerce data from BigQuery and generates automated executive summaries, one of three independent web products built end-to-end with Claude Code. Combines that analytics comfort with real experience across content, social media, and conversion-focused marketing (Community Manager; Inmobiliatica.com) and daily CRM/client operations at BBVA, while completing the Google Data Analytics Professional Certificate and a Bachelor's in Marketing (UCAECE).

Core Competencies

- **Multi-channel digital marketing:** content planning, social media management, and conversion-oriented marketing across three seasonal campaigns and an online real-estate platform (Instagram, Facebook, Meta Business Suite).
- **GA4 & ecommerce analytics:** built and shipped a production dashboard pulling real GA4 ecommerce data from BigQuery, tracking KPIs and trends, with an AI-generated daily executive summary.
- **Data-driven decision making:** SQL and BigQuery (Google Data Analytics Professional Certificate, module 5), spreadsheets, and data visualization, plus self-directed SQL practice on marketing and CRM datasets.
- **Client operations & KPIs:** daily CRM and client-facing work at BBVA (+100 clients guided per week, +50 queries resolved per week), comfortable tracking and reporting on performance metrics.
- **Proactive, self-directed learning:** self-teaching Klaviyo (email marketing / lifecycle fundamentals, in progress) and three independent marketing web products built with Claude Code, including a competitor auditor and a buyer-persona generator.
- **Languages:** Spanish (native), English (advanced).

Professional Experience

- **BBVA Argentina** **Mar del Plata, Argentina**
Gestor Express *2026-Present*
 - Client attention and guidance in-branch, focused on digital channel adoption.
 - Guide client migration to the app and online banking: +100 clients guided per week.
 - Daily operations over the bank's CRM and internal systems, tracking engagement metrics.
 - Resolve +50 client queries per week, prioritizing retention and client experience, core marketing KPIs in a B2C environment.
- **Mar del Plata Digital** **Mar del Plata, Argentina**
Community Manager *2023-2025*
 - Seasonal social media management across three consecutive summer seasons (2023, 2024, 2025) for local brand accounts.
 - Content creation and design in Canva.
 - Planned and published 15 monthly posts on Instagram and Facebook (Meta Business Suite).
- **Inmobiliatica.com** **Mar del Plata, Argentina**
Digital Marketing Assistant *2023-2025*
 - Social media and content management for an online real-estate platform.
 - Supported conversion-oriented marketing: content designed to generate inquiries, not just engagement.

Independent Projects

- **Marketing Analytics Dashboard** (Claude Code) – production ecommerce analytics dashboard pulling real anonymized GA4 ecommerce data from BigQuery; generates a daily AI executive summary (Gemini) across Overview, Products, and Audience sections. Next.js, TypeScript, Tailwind, BigQuery, Gemini API, Redis, Recharts.
- **AI Marketing Agency Platform** (Claude Code) – production platform with 5 live tools: copy generator, campaign-plan generator, competitor auditor for competitor research (fetches and compares real company websites), SEO optimizer (extracts real on-page tags and diagnoses with AI), and buyer-persona generator for audience research. Next.js, TypeScript, Tailwind, Gemini API, Redis, Vercel.
- **Vidriera** (Claude Code) – marketing news portal published on Vercel, organized into 6 editorial categories. Astro, Tailwind CSS, TypeScript.

Education

- **Universidad CAECE** **Mar del Plata, Argentina**
Bachelor's in Marketing *2024-2027*
In progress, expected Dec. 2027.

- **Universidad Tecnológica Nacional (UTN)**
Diploma in Oral Communication and Rhetoric
